## LETTERS OF RECOMMENDATION

### Instructions:

Two letters of recommendation are required. Please detach the following two forms, fill out the information at the top of the form, and submit to:

1. Your 4-H horse project leader, club leader or other 4-H adult volunteer.
2. A current teacher at your school who knows you well (or mentor, for homeschoolers)

Ask each recommender to return the form and letter of recommendation **directly to the Scholarship Committee – letter should not be included in your application and failure to follow this procedure could result in forfeiture of your application**. Request the recommender send the letter directly to Colorado State University Extension, Attn: 4-H Horse Scholarship Committee, 17 North Spruce Street, Colorado Springs, CO 80905. It must be postmarked by the due date of the application. E-mailed letters will not be accepted.

### ➤ **If your parent is your club and/or project leader:**

Your parent may not submit a letter for you, so you will not supply that leader recommendation. Instead, request a letter of recommendation from another person in the 4-H community who knows you well and has had the opportunity to observe you in the context of 4-H horse activity. Use the form for 4-H leader or adult. Members of the scholarship committee may not supply a letter.

### ➤ **If you are homeschooled:**

Your letter of recommendation from a teacher cannot be supplied by a parent. Instead, seek out another adult who is familiar with your scholastic abilities. This may be an outside teacher, a college teacher, or any adult mentor who knows you well (at your discretion, this could include either 4-H or non-4-H adults).

*Be sure to allow your recommenders plenty of time to write their letters. Don't wait until the last minute!*
