

Department – GOAT

Superintendent:
Sandy Hoihjelle
(719) 641-6253

Rules:

1. Please read the complete general rules and the goat rules found in the [El Paso County 4-H & FFA Livestock Exhibit Requirements](#). Please go to the CSU Extension El Paso County 4-H Fair resource webpage to access the 4-H goat rules:
2. <http://elpaso.extension.colostate.edu/el-paso-county-fair-resources/>
3. Maximum of two (2) market goats per exhibitor. In breeding classes, all exhibitors are limited to two entries per class.
4. **Fees:** Showmanship is free for all goat 4-H exhibitors. All goat classes are **\$5.00** per animal entry except for market goat classes which are **\$10.00** per animal entry.
5. **Stalls:** \$5.00 per stall. 4-H member siblings may share a stall for animals that are normally housed together.
Market Goats – two animals per stall.
Fiber Goats – maximum of two adults or one doe and her kids per stall.
Pygmy and Dairy Goats – maximum of three goats per stall.
6. Fair Entry payments are due to the CSU Extension Office by **Friday, June 30, 2017**.

Using Fair Entry:

1. Please first download or print the Fair Entry instructions and review the information found on the El Paso County 4-H Fair Resource page: <http://elpaso.extension.colostate.edu/el-paso-county-fair-resources/>
2. Go to <https://fairentry.com/> and click on “find your fair” to locate the 2017 El Paso County Fair.
3. The Fair Entry online system works best if you are using **Google Chrome** or **Mozilla Firefox** as your search engine. Users may experience errors when using older versions of Internet Explorer.
4. For families with multiple children - Be sure to register all entries for each exhibitor in the family before proceeding to the Payment section.
5. When you get to the “Review Your Entries” step it is suggested that you click on the “detail”

- button rather than the summary button to review all the classes you have selected.
6. Click the “Submit” button **ONLY** when you have reviewed and completed your entries. Entries are not final until they have been submitted.
7. Check your email inbox for a confirmation email with a list of your entries and instructions regarding fees. You will receive a second email when your entries have been approved by the CSU Extension Office. Please send in payment after you receive the second e-mail stating the entries have been approved.
8. If you experience a glitch with the Fair Entry online system or receive an error message, be sure to write down the error message and contact the CSU Extension El Paso County 4-H Office for assistance at **(719) 520-7698**.
9. Fair Entry will prompt you to “add an animal” when necessary to declare a specific animal for a class. If you already entered goat animal ID information in 4HOnline it should be available for you to select from. Otherwise, you will need to “add an animal” and enter animal identification information into Fair Entry. Have your animal records handy when using Fair Entry so you can refer to your records.

Helpful Hints:

1. Use this tool to select the classes the 4-H goat project member intends to exhibit/participate. Check off the classes and then have the tool handy when you log into the Fair Entry system to help the computer user remember to select all the appropriate 4-H goat project classes.
2. Be aware that Fair Entry lists divisions and classes in alphabetical order. This tool is designed to match the Fair Entry alphabetical listing.
3. **Showmanship Reminder** – each 4-H member is required to participate in Showmanship! If a 4-H member plans to exhibit both breeding and market animals, plan to enter both the breeding and market showmanship classes.
4. **Fair Eligibility** - Don’t forget that to be eligible for the El Paso County Fair, you must be enrolled in the project you plan to exhibit.

Division:

Livestock: Breeding Boer Goat

Class:

100: ADG100 0-6 Months Old-Percentage Doe 50 percent and Up

- 101: ADG101 6-12 Months Old-Percentage Doe 50 percent and Up
