4-H Shooting Sports Practice and Competition Schedule 2019-2020

**Updated 11-12-19**

Please be sure to **read thoroughly and note changes** in the program operations:

1. Range fees will apply at each range. Please pay at the range office.
2. Proceed to the appropriate range and check in at the trailer.
3. Please arrive 30 minutes **BEFORE** the shoot which you are attending. Practice times as listed below. Each range will start a new course of fire on the hour. For example: if the shoot is from 9:00 a.m. to 12:00 p.m. and you arrive at 9:30 a.m., you will prepare your equipment and listen to safety orientation. You will then be allowed to enter the range at 10:00 a.m. If you arrive at the range at 9:00 a.m. you will have to wait for the next safety orientation at 9:30 a.m. Last group will start their course of fire on the range one hour before the end of practice. Late arrivals will not be allowed to practice that day. Each 4-Her will need two practices per discipline to compete at County and State. **NO EXCEPTIONS.**
4. **FIREARMS and EQUIPMENT** are available for check out on a first come first served basis and limited amounts of ammunition are available for sale. **NEW:** there will be a check out/in sheet at the Shooting Sports trailer. You will have to sign out the firearm and provide information which will include a driver’s license number. The Shooting Sports Leaders will be the only ones who will have access to the trailer. Please know what you need when you get to the front of the line. Arrive early to get your equipment. You will check the firearm and equipment back in at the same place. **PLEASE** do not just drop them and leave!!!
5. Volunteers will be needed to help set up and take down the ranges. Remember the leaders are all volunteers and not paid employees of the State/County. We are doing this for the kids. Please lend a hand.
6. **PARENTS:** Please stay behind the marked spectator areas. This allows the leaders better visibility to the 4-Hers as well as being able to focus on the practice. You are welcome to ask questions **AFTER** the practice or anytime by email.
7. **ANYONE** can call a cease fire for safety. Please be mindful of your neighbors and surroundings. We cannot see everything.
8. If the daytime temperature for the practice day will **NOT** reach 50° as announced by KKTV, the practice will be cancelled without further notification. This is for the safety of all.
9. **NEW***ALL 4-Hers will be required to attend ONE of the two scheduled Shooter Quality Assurance (SQA) classes
10. **NEW*** **ALL NEW SHOOTERS PLEASE ATTEND A TRAINING BEFORE ATTENDING A PRACTICE!!**
