Dear 4-H Supporter:

The El Paso County 4-H Livestock Advisory Committee (LAC) invites you to participate in the 2020 El Paso County Fair by sponsoring 4-H members competing in the following programs: Beef, Swine, Sheep, and Goat Breeding; Market Beef, Swine, Sheep, and Goat; and Pygmy, Fiber, and Dairy Goat.

All donations are utilized for premiums and awards to recognize the 4-H participants enrolled in these projects. Your support allows the LAC to recognize excellence and encourages continued participation in these continually growing projects. These awards are not possible without the generous support of donors such as yourself.

Any donation you are able to provide is appreciated. However, for your donation of \$120 or more, you will be sponsoring a Grand Champion buckle, be recognized at the show, and be able to present the buckle to the winning youth at the show. We will also send you photos of the buckles you have sponsored. The breeding shows differ in that \$400 total per species is required to be able to award every participating youth a premium because these are year-round projects. While you do not have to donate the entire \$400, any amount you are able to contribute is greatly appreciated. You may also donate for the Reserve Champion awards.

This year's fair is scheduled for July 11th - 18th in Calhan. The breeding shows are held on Saturday, July 11th, beginning at 8:30 a.m. The remainder of the shows will take place throughout the week. We invite you to attend and partake in the excitement as the 4-Hers showcase the hard work and effort put forth in their projects.

Please make your check payable to the Livestock Advisory Committee (LAC) and mail it to: Wade Canaday, 9650 Horseback Trail, Peyton, CO 80831. Please complete the enclosed form with your donation preferences. If you have a question, please contact Wade Canaday at 719-749-2514. Receipt of your donation by May 1, 2020 would be greatly appreciated.

Thank you for your support and for choosing to invest in our youth.

Sincerely,
El Paso County 4H Livestock Advisory Committee
Wade Canaday, Treasurer
