- f) Status of the Wagner Sponsor Letter?
 - i. Sent

8. Open Discussion:

SQA – The last opportunity is April 11. We need to send email to everyone, so they know without it, they won't be allowed to participate in County Competition in June.

Support for New Leaders Training. James motioned that if a leader has 2 trainings completed, the committee will pay for any additional trainings after that. Kurt second the motion. Motion carried.

Marksman of the Year

Shooter of the Year – We discussed using the same multiplier for every discipline to even the playing field. Put every discipline on even point score (100 or 200). Add 100 points for entering a display board at the fair The tie breaker would be determined by the higher score on the display board.

Tabletop Judges – James provided the extension office a list of names of certified people to judge the disciplines for shooting sports at the fair.

Hunting and Outdoor Skills & Western Heritage – We discussed tabling these disciplines until we can build our program and get more leaders. We would attend the YHEC competition to understand how to build our program and encourage more kids to partake.

Western Heritage state competition is usually held in Grand Junction.

Paul will not be at the May 16 practice.
