Fair Horse Show

Did speak with Bob about the use of Latigo at a later date.

We should know on June 1st about a decision on County Fair

State Fair should have a decision on June 24th or 25th.

CSU is no Face to Face contact in May due to Covid

Working on a back up plan in the fall for County fair. State requirements would be waived if our County Fair is not held before State Fair.

Bob at Latigo has been contacted about a contract that would allow for more accessibility.

Awards and Fundraising- If we have a summer show awards will be in the fall. This will be separate from Year End Achievement

Youth Council – No representative. No Report.

Horse Bowl – Still having no meetings.

Horse Judging – Will be hosting an El Paso County Judging on June 7th.

Clubs – No Report

Unfinished Business

There was no unfinished business discussed.

New Business

Scholarship committee members were discussed. Randi will be forming a committee and interviews will be held on Zoom. There is a horse judging available on May 1st hosted by Arapahoe County. El Paso did not have enough interest to have a team but members were allowed to compete. Maggie and Randi plan on hosting still on June 7th if allowed to do live contest. They are not interested in doing a virtual show. Horse shows are still up in

the air for this summer. Extension agents will be meeting Friday the 24th for Vvirtual horse programming. This would be something educational that people could access while at home.

The meeting was adjourned by Randi at 7:06
