Reports

Extension Representative – Emily Tobler

Proposal to get Fair. Planning on horse show. Want to go to State must go to County unless cancelled. Zoom meeting before fair. 6 feet apart. Livestock meeting on Facebook Wednesday night.

Emily and Autumn discussed HAC. Some of their thoughts are to have Zoom meetings monthly for kids or leaders. Open up HAC for Youth. This would be a good time for youth meet leaders, go through manual. Also open up clinics to County wide. Also discussed what can be eliminated, wasn't need to be there. How can we make project less overwhelming, need to reevaluate from the bottom up. Simplify testing, make a study and guide. Maybe make a Premier Exhibitor instead of Achievement Award. Also transfer HAC from business meeting to project meetings.

Ribbon are in, but there will not be premiums this year.

Don't rely on the Fast Friday's. The Newsletter is important for all information. Explore the website. If you have ideas about the website let the office know. State Fair will be open with restrictions.

Emily needs 2 weeks to approve any activity per State.

Unfinished Business

There was no unfinished business discussed.

New Business

Meet in July for banners for whoever is going to fair. Needs to contact Randi.

Staci mentioned there the Track Cleanup is available for a Fundraiser every other weekend. Saturday night @ 10 pm is worth \$200. Sunday am is worth \$100. Staci will contact kids to see how much interest there is and update in September as there is no July meeting.

The meeting was adjourned by Randi at 7:10
