

# EL PASO COUNTY 4-H/FFA LIVESTOCK SHOW PREMIUM

## El Paso County Fair Contest Requirements

### Eligibility for 4-H/FFA El Paso County Fair

- 4-H youth club or FFA members must be in good standing
- Properly enrolled in the CSU Extension 4-H Youth Development Program in El Paso County via 4HOnline or local FFA chapters
- Paid membership fees in full
- Have met Meat Quality Assurance (MQA) training requirements

**Invite to FFA Members:** Any FFA member wishing to exhibit under the 4-H Livestock Departments at the El Paso County Fair will follow the 4-H entry and exhibit process. FFA exhibitors/instructors are asked to contact the Colorado State University Extension, El Paso County Office to inquire about participation requirements and the online Fair Entry process.

## General Rules

1. **Pre-entry** is required for all 4-H General, 4-H Consumer Science, 4-H Cloverbud and 4-H Animal exhibits. All exhibits/animals must be pre-entered into the online FairEntry system. FairEntry system opening and entry deadline details will be announced in the El Paso County 4-H Newsletter. 4-H families will use their "4honline.com" username and password to log into the fair entry system. FFA families should contact the CSU Extension, El Paso County Office to be provided a username and password. More detailed information about registering and payment will be posted on the website and in the 4-H newsletter.

For help with computer pre-entry, call the CSU Extension Office at 719.520.7698

**Exhibits must be entered by Friday June 11, 2021.** A late fee of \$25.00 per exhibitor will be assessed for entries received between June 12-16 2021. **After June 16, 2021, absolutely no entries will be accepted.**

Once registration is complete and submitted by the family for all members participating in county fair, it will be sent to CSU Extension 4-H staff for approval. Once approved, payment instructions will be sent via email. Payment **SHOULD NOT** be sent until all classes are approved by CSU Extension staff.

Payment must be **received by 4:30 p.m. Friday June 18, 2021.**

It is the member's responsibility to check with the Extension office to make sure the **entry and payment** was completed by the deadline.

- **Entry Fees (No Refunds):**
  - Beef, sheep, swine, goats - \$10 per MARKET animal
  - All others - \$5 per animal
  
- **Stalling Fees:**
  - Market Sheep and Market Goats \$5.00 per stall; Three market lambs per stall and three market goats per stall.
  - Market Beef \$5.00 per animal.
  - Market Swine \$5.00 per stall. Two market swine will be allowed per stall.
  - Fiber Goats \$5.00 per stall per exhibitor (maximum of two adults or one doe and her kids per stall).
  - Pygmy and Dairy Goats \$5.00 per stall per exhibitor (maximum of three goats per stall).
  - Breeding Animal Exhibitors without market animals will be charged \$5.00 per stall used.
  - If your market animals cannot be stalled in your breeding animals stalls' an additional \$5.00 fee will be required per extra stall used.
  
- **Number of Entries:**
  - In **breeding classes**, all exhibitors are limited to **TWO (2)** entries per class; however, they may enter more than two animals per species.
  - For **market beef**, exhibitors will be allowed to stall and show up to **THREE (3)** animals
  - **Market swine** will be allowed to stall and show up to **FOUR (4)** animals
  - **Market goat** and **market lamb** exhibitors will be allowed to stall and show up to **THREE (3)** animals.

**2.4-H Cloverbud:** 4-H members age 5-7, are not permitted to show or exhibit any animals.

3. All youth must have completed the **Animal Care and Housing Form** for Colorado 4-H Livestock Projects and **Code of Show Ring Ethics**. All forms must be submitted to club leaders by the re-enrollment club member fee payment deadline or as soon as a new 4-H member joins prior to the May 1, fair eligibility deadline.

- The 4-H member must have **care and custody of their animal** at their home on record (which is indicated on the Care and Housing Form) with the CSU Extension Office throughout the project. If this changes then they must update their Animal Care & Housing Form on file with the CSU Extension Office as soon as the animal is at another location. Temporary housing should not exceed 72 hours without notifying the Extension Office.

4. Follow the **record book** guidelines as outlined by the CSU Extension Office to earn project completion status. Some Livestock Awards require a Record Book score.
5. **Meat Quality Assurance Training:** All first year 4-H members and continuing members becoming, Intermediates (11 years old by December 31, through age 13) or Senior 4-Hers (14 years old by December 31 through age 18) enrolled in any market or breeding project (goat, cattle, sheep, swine, rabbit, and poultry) must complete Meat Quality Assurance (MQA) training 45 days prior to the start of fair in order to be eligible to show at the County or State Fair. Every exhibitor who enrolls in a Market or Breeding Animal Project will sign a statement indicating their understanding and compliance with the Wholesome Meat Act.
6. **Market Animal Ownership:** Market animals must be owned by the initial weigh-in/tag-in for that species. Weigh-in dates are announced in the 4-H Newsletter.
7. **Breeding Animal Ownership:** Breeding Beef, Breeding Sheep, Breeding Swine, and Breeding Goat Form with proof of ownership for all breeding animals must be uploaded into 4-H Online by May 1.
8. **Leased 4-H Project Animals:** 4-H members may lease breeding project animals. 4-H members must submit an approved lease form no later than **May 1**, except for the offspring of these animals. 4-H members may only lease two animals for project areas in which they do not already own those animals. For example, if you already own dairy goats you may not lease a dairy goat but if you own dairy goats and would also like to try fiber goats, you can lease a fiber goat. A copy of the lease agreement must be uploaded on 4HOnline by **May 1 with Animal IDs** as the 'County Use Form'. This rule supersedes the animal ownership rule published in the County 4-H Policy regarding duration of ownership, all other stipulations are still applicable as outlined in the policy.
9. **Use of alcoholic beverages or drugs by youth exhibitors** will NOT be tolerated on either the Fairgrounds or in the fairgrounds camping area. Youth members, leaders, parents, and other adults participating in 4-H programs will abstain from illegal behaviors, use of alcohol, marijuana, illegal or illicit drugs, and tobacco during 4-H events and activities. It is the responsibility of all program participants to reinforce the 4-H Code of Conduct and intervene when necessary to enforce the rules.
10. **Appropriate attire** for showing and in the Junior Market Livestock sale pictures will be required at the discretion of the Fair Superintendents. 4-H dress code must always be adhered to.
11. **All exhibitors are required to clean-up** after their project animals including any excrement or mess that the animals make while in the fairgrounds. It is important to maintain an exhibit area that is clean and attractive for the general public visiting the

fairgrounds. Prompt clean up is important!

12. **Violations of any rules** will be handled as follows: First violation – verbal warning; second violation – written warning; third violation – dismissal from the show.

13. **Fair treatment** concerns must be filed in writing on the Fair Treatment Challenge Form with the CSU Extension 4-H staff person on duty at the fairgrounds accompanied with a fee of \$100 in cash (no checks) within 24 hours of the incident. Challenges can only be submitted by youth exhibitors. Please see the Fair Treatment Protocol attached to the Fair Treatment Challenge Form for further information and procedures.

#### 14. Health Requirements:

- All animals must be free of contagious or infectious diseases and in good condition.
- All livestock **MUST** be accompanied by an official Health Certificate issued within 14 days prior to stalling at the fair. Each animal must be individually identified on the certificate.
- All market heifers must be accompanied by a certificate issued by a licensed veterinarian verifying the heifer is pregnancy tested **OPEN** within 30 days of the El Paso County Fair.
- Animals that appear malnourished, unthrifty, have retained testicles and/or are pregnant may be excused from the premises.
- All owners of market animals will be required to sign a disclaimer stating that animals have not received any non-approved drugs and the withdrawal time required of all approved drugs or medications has been adhered to.
- Any medication that has not met the required additional withdrawal time may result in disqualification. If medication is required on any animal before or during the Fair where exhibition of the animal will take place prior to the medications labeled withdrawal time the Superintendent of that department and the CSU Extension Office 4-H representative **MUST BE CONTACTED BEFORE** medication is administered and provided with written documentation by a licensed veterinarian.
- Administering medications approved by the FDA for human use but not for veterinary applications is ground for disqualification if not prescribed by a licensed vet.
- All animals may be examined upon arrival for evidence of infections or contagious disease, and if such is found, they will be held in quarantine until examined by a veterinarian. The exhibitor is responsible for calling a practicing veterinarian for animal treatments. The Superintendent has the right to call for services of a veterinarian for the treatment of sick animals if the exhibitor is not available. The fee for veterinary services must be paid for by the exhibitor prior to the release of the animal from the Fairgrounds.
- "Point of contact" emergency contact information for each exhibitor and species must be posted on stall cards in each club's stalling area on the back of the stall cards, and must be on file in the Livestock Show Office so that leaders and/or exhibitors can be contacted quickly in case of emergency.

## 15. Tag-in/Weigh-in Requirements:

If there is a suspicion of illness during weigh-in, the Species Superintendent and the CSU Extension Office 4-H representative on site must be notified prior to unloading the animal.

### a. Tag-In:

- Market beef, market lamb, and market goat entries must have been tagged and retinal scanned at the initial tag-in under the supervision of a fair superintendent in order to be eligible to show.
- Market swine entries must have been provided tags and documentation from the fair superintendent for home-tagging. In addition, all market swine must be ear notched.
- Market beef, market lambs, market hogs, and market goats must be identified by an official county ear tag number at time of entry by the exhibitor and no switching of ownership (including family members) will be permitted after tagging. An official Scrapie ear tag number must identify breeding sheep and goats on the Entry Form.
- If any ear tag is lost prior to or during the Fair, a fair superintendent MUST be notified immediately.

### b. Weigh-In:

- All market lambs must be slick shorn prior to weigh-in at the County Fair.
  - No dirty ear tags or dirty animals will be allowed at weigh-in.
  - Animals must be clean and dry before going to the scale
  - No tubes or covers are allowed at weigh-in.
  - Only halters or collars may be used on animals at weigh-in; no chains are allowed.
  - Weighing of market animals at the initial weigh-in/tag in is optional.
  - All beef are required to be halter broke and be able to be led to and through the scale. The fair superintendents reserves the right to refuse to tag and weigh in unruly animals, and may ask the animal to be removed from the arena.
  - To be eligible for the Miniature cattle breed (previously known as Lowline/Aberdeen/Mini Hereford) weight exception of animal must be declared as a Miniature at the time of the initial weigh-in/ tag in.
- c. **Official Weigh-In:** Dates/times for official weigh-ins and ultrasounds for market animals will be announced in the 4-H Newsletter and/or in the 4-H Livestock Project fair schedule. Please note weather back-up dates when announced.
- d. If an exhibitor has not completed all required entry paperwork they will not be permitted to weigh their animal at county fair until all paperwork is completed properly and turned in. Weigh-in time exceptions will not be extended to accommodate this requirement. If you don't complete your paperwork you will not be permitted to weigh or compete.
- e. Balancing of scales will be done prior to each animal being weighed. In the event

that the market animal does not make the weight range set by the fair, either over or under, the animal can be re-weighed at the exhibitor's request. At that time the animal will be removed from the scale and the scale re-balanced. The animal will be re-weighed immediately. The animal is not permitted to leave the scale area. The second weight will be the official weight of the animal. If the animal makes market weight on the first weighing, no re-weigh will be allowed. The weight on the scale ticket is the final official weight. NO WEIGHT PROTESTS WILL BE HEARD.

- f. The decision of the weigh master is final.
- g. There may be feeder classes in any market livestock department at the discretion of the species superintendent.
- h. Exhibitors with market animals not making weight may stall and compete in their respective feeder and showmanship class. Underweight animals may be used in showmanship only if the underweight animal is the exhibitors only market animal.
- i. Any animal which was retinal scanned at initial weigh-in/tag in and has lost its ear tag or has an ear tag that appears to have been tampered with, will be retinal scanned again at County Fair.
- j. All breeding sheep and goats entered in the Fair must be tagged with a Scrapie tag and entered by the Scrapie tag number on the Entry Form.
- k. All male market animals must be castrated and healed as much as possible prior to their initial weigh-in/tag-in. No intact, mature male animals will be stalled except at opening Saturday breed shows.

#### 16. Care Provider:

The intent of the 4-H/FFA livestock program is for youth members to be the primary care providers for their project animals. Only an animal's owner (a 4-H member) should care for their project animal when it is being exhibited at the county fair or 4-H shows. If a junior member needs assistance, for safety or educational reasons, another El Paso County 4-H member, immediate family member, or an El Paso County 4-H leader may provide it. It is strongly recommended that another El Paso County 4-H member be the first choice for assistance to a junior member. If assistance is provided, the 4-H member enrolled in the project must be present and involved to benefit from the teaching and instruction. The primary work should not be done for the member. Senior 4-H members should do all the cleaning, feeding, and watering of their livestock project at any show except when safety is a concern.

If, in the opinion of the 4-H Livestock Species Superintendent, working collaboratively with the CSU Extension Office 4-H representative, **a youth's exhibit animal (s) and/or exhibit area have not been properly cared for**, after proper warning, the exhibitor may be dismissed from the Fairgrounds. Additionally, if any exhibitor or the exhibitor's family members mistreat animals, the exhibitor may be dismissed from the Fairgrounds. Violations of this rule will be handled as follows: First violation – verbal warning; second violation – dismissal from the Fairgrounds.

## 17. National Code of Show Ring Ethics (modified slightly to apply to all exhibits):

Exhibitors of animals at shows shall always conduct themselves with honesty and good sportsmanship. Their conduct in the competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all exhibits in any event at a show. In addition to the "IAFE National Code of Show Ring Ethics", fairs may have rules and regulations which they impose on the local, county, state, provincial, and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine examples. Owners, exhibitors, fitters, trainers, and responsible persons who violate the code of ethics will forfeit premiums, awards, and auction proceeds, and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and shows. Exhibitors who violate this code of ethics demean the integrity of all exhibitors and should be prohibited from competition at all animal shows in the United States and Canada.

### **The following is a list of guidelines for all exhibitors in competitive events:**

- a. Misrepresentation of ownership, age, or any facts relating to your animal is prohibited.
- b. Owners, exhibitors, fitters, trainers, or responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or show officials.
- c. Youth exhibitors are expected to care for and groom their animals while at the fairs or shows.
- d. Animals shall be presented to show events where they will enter the food chain free of *violative* drug residues. The act of entering an animal in a show is the giving of consent by the owner, exhibitors, fitters, trainers, and/or responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals entered in events, which culminate with the animal entering the food chain, shall not be administered drugs other than in accordance with federal, state, and provincial statutes, regulations, and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.
- e. If the laboratory report on the chemical analysis of saliva, urine, blood, or other sample taken from indicates the presence of forbidden drugs or medications, this shall be prima facie evidence such substance has been administered to the

animal either internally or externally. It is presumed that the sample of saliva, urine, blood, or other sample tested by the approved laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with burden of the owner, exhibitors, fitters, trainers, or absolutely responsible person to prove otherwise at any hearing in regard to the matter conducted by the fair or show premises, all treatment involving the use of drugs, and/or medications shall be administered by a licensed veterinarian.

- f. Any surgical procedures or injection of any foreign substances or drug or the external application of any substance (irritant, counterirritant or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hooves or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
- g. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
- h. Direct criticism or interference with the Judge, fair or show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all Judges, fair and show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
- i. No owner, exhibitors, fitters, trainers, or absolutely responsible person shall conspire with another person or persons by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
- j. This application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had knowledge of the treatment of the animal in contravention of this code of ethics.
- k. The act of entering an animal is the giving of consent by the owner, exhibitors, fitters, trainers, or absolutely responsible person to have any disciplinary action taken by the fair or show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expos and any special notices to members.
- l. The act of entering of an animal in a fair or show is the giving of verification by the owner, exhibitors, fitters, trainers, or absolutely responsible person that he or

she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorized with jurisdiction over such infractions.

18. Any behavior that is in **violation of the 4-H Code of Conduct or the Code of Show Ring Ethics** is to be brought to the attention of the CSU Extension 4-H staff person on duty immediately. Disciplinary action may include disqualification from the event and forfeiture of awards.

#### 19. Stalling:

- All market and breeding animals will be stalled from 6:00 AM -10:00 AM
- Any animals to be shown on the opening Saturday must be stalled no later than 10:00 AM
- Stalling in all barns will be by club. Clubs with individual representation (one member only) and Independent 4-H Family units may request to be housed together to aid with covering duties.
- Exhibitors must present a valid Health Certificate in order to stall.
- Breeding livestock in boer goat, sheep, swine, dairy cattle and beef classes will be stalled for their respective shows on the day of the show and will not be released until 7:00 PM
- Breeding show contestants should satisfactorily clean their stalls and check out with their appropriate superintendent, unless the same stall will be used for market animals by the same exhibitor.
- Stalling will be done per official fair calendar/schedule
- All exhibitors and entries received on the Fairgrounds must remain in place until released. Please refer to the fair schedule (for most exhibitors, animals will be released at 9:00 AM on Sunday following the conclusion of fair).
- All species must remain in the designated animal barns unless being exercised in the designated exercise area. The respective Superintendents or their assistants will assign stall space within the barns. The species superintendents will post clubs' stall assignments by the Opening Saturday of Fair, in the respective barn areas. Any exhibitor not abiding by the stall assignment may be barred from competition.

#### 20. Barns:

- Barns open at 6:00 AM and close at 9:00 PM.
- Livestock will be bedded as required in each species' division rules. Exhibitors or clubs must provide their own bedding material. All animals must be bedded. No raw ground will be permitted.
- Pens must be cleaned and animals fed daily by 9:00 AM before the fair opens to the

public.

- Superintendents reserve the right to require additional pen cleaning as needed. All stalls must remain in satisfactory condition.
- The use of hay nets is prohibited. Hay and grain shall be stored in such a manner that they are not accessible to any livestock.
- Grain must be stored in closed plastic or metal containers.
- SAFETY NOTE: Exhibitors are reminded to properly secure and store all equipment (pitch forks, tack, shovels, tack boxes, trimming stand, etc.) in a safe place to prevent injury to livestock and/or people.
- Sleeping in the barns, outside of open barn hours, is strictly forbidden.
- Smoking/Tobacco/Alcohol use by anyone is prohibited in the exhibit barns and buildings. Violations of this Fair Board rule or other forms of discourtesy or violations of codes of conduct will be grounds for disciplinary action.

## 21. Show Ring:

- All exhibitors must lead/show their own animals, with the exceptions of more than one entry in a class. Reference Shows section directly below for further explanation.
- No clipping shall be done in the staging area.
- Exhibitors must display a back-tag number while in the show ring.
- If an exhibitor has more than one animal in the show ring, at any time, exhibitors showing the animals must display a supplementary back tag with the animal exhibitor number clearly visible while in the show ring.

## 22. Shows:

- **All judges' decisions are final.**
- If an animal is shown in the breeding classes, it is **not eligible** to show in any of the market classes.
- Classes which are felt to be too large or too small, may, at the discretion of the Species Superintendent, be divided into two or more classes or combined with another class as the case may be.
- In the event an exhibitor has multiple animals in the same class
  - A 4-H/FFA youth in good standing from the county with parent permission may show the extra animal
  - **OR** a 4-H/FFA youth in good standing from out of county with parent permission may show the extra animal in addition to meeting these requirements:
    - An out of county form request must be filled out and submitted to the CSU extension agent four weeks before the first day of county fair
    - A youth is limited to 2 forms maximum
    - Each form will cost \$5
  - **OR** if an exhibitor in a market class ends up with multiple animals in the same class, they can elect to move one animal up to the next heavier weight class but not down to the lighter class.

- Market champions and reserve champions may be retinal scanned at any time.
- An animal judged to be unsafe by the species superintendent, in consultation with the CSU Extension Office 4-H representative, may be dismissed from the Fairgrounds.
- All 4-H/FFA members must participate in the appropriate showmanship contest for each species department entered (market showmanship and breeding showmanship participation is required if entered in both projects within the same species department). Extenuating circumstances may be brought to the appropriate 4-H Livestock Species Superintendent and the CSU Extension 4-H Youth Development Office representative as soon as possible (preferably by the fair entry deadline) if accommodations are needed due to special need (such as a health situation or disability). Interview judging or modified showmanship may be required in place of the group contest.
- Showing of livestock of an ineligible age or showing unethically fitted livestock is prohibited. Unethical fitting will be deemed to consist of any method which alters the natural conformation of any part of the animal's body; any animal having been operated upon or tampered with, for the purpose of concealing faults or with the intent to deceive will be disqualified and dismissed from the grounds. Ear Tag tampering or removals, other than by a 4-H Species Superintendent with CSU Extension Office approval or licensed veterinarian. Any exhibitor dismissed from the Fairgrounds will forfeit all premiums.
  - No administration of behavior-modifying drugs of any type, including alcohol, to any animals on the Fairgrounds will be permitted under any circumstances. Violators of this rule will be disqualified and dismissed from the Fairgrounds.
  - Colorado Animal Tampering Laws – Compliance with all Colorado laws prohibiting tampering with or drugging of livestock and/or sale of adulterated meat is mandatory for any 4-H member and/or family member enrolled in a 4-H livestock project. If there is evidence of physical alteration of a project animal to fraudulently misrepresent that animal, illegal drug residue in an animal, or violation of the 4-H Code of Conduct, a member may be classified as a “member NOT in good standing.” If classified as a “member NOT in good standing” the member can be prohibited from exhibiting livestock or participating in out-of-county 4-H activities for up to one year.

23. **Show order** for all species (when all the species classes are held on the same day):

**a. Breeding:**

- Breeding Classes
- Breeding Producer Class
- Showmanship — Senior, Intermediate & Junior

**b. Market:**

- Market Classes
- Market Producer Class
- Showmanship — Senior, Intermediate, Junior

24. **Drug testing and post show examination:** El Paso County Fair Advisory Board, Manager and Livestock Sale and 4-H Livestock Advisory Committees reserve the right to drug test all Market Champions and Reserve Champions immediately following the class. In addition, all or any animals exhibited at the El Paso County Fair may be subject to drug testing at any given time during or after the Fair. Any cost to prove or disprove the use of the above will be borne by the exhibitor if testing positive. Failure to comply with any health regulation could result in disqualification. Any participant whose project tests positive will be subject to a review process involving the State 4-H Office and may be subject to disciplinary action including having future livestock show eligibility status revoked.

25. **Premiums:**

- Beef, sheep, swine, goats, and dairy cattle. First through sixth place ribbons.
- Showmanship premiums — \$5, \$3, \$2 except where noted.
- Showmanship premiums will be awarded only in the championship round.
- Breeding class premiums — \$5, \$3, \$2 except where noted.
- Market classes will not be awarded premiums. Additional awards may be given as noted.
- Any exhibitor dismissed from the fairgrounds will forfeit all premiums.

26. The following **Acts and Statements** are in place at all times:

- a. United States Department of Agriculture Wholesome Meat Act
- b. Meat Quality Assurance
- c. IAFE National Code of Show Ring Ethics

*\*Copies of these acts and statements are available from the CSU Extension Office.*

27. **Fair Board Rules and Regulations:**

There is a **camping area** available for use by fair exhibitors and their immediate families. Space is on a first come, first serve basis and camping permits should be purchased in advance from the Fair office. Youth exhibitors staying in the camping area must be accompanied by an adult. No dogs are permitted in the camping area without first receiving Fair Board approval. Additional camping regulations, rules and requirements are at the discretion of Fair management. **No vehicle** other than “Official Cars” will be permitted inside the fenced area around the barns and livestock arena after 9:00 AM. Vehicles for the purpose of hauling feed and supplies will not be permitted on the Fairgrounds.

28. **Fair Rule Notice:**

The El Paso County 4-H Livestock Species Superintendent, after consulting with the CSU Extension Office 4-H representative, reserves the right to make any changes in existing rules if such changes will improve the County Fair. All interpretations of the rules by the 4-H Livestock Species Superintendent and CSU Extension Office 4-H representative are final. Superintendents must seek approval of the CSU Extension

Office 4-H representative first before announcing any changes.

29. **Any behavior** that is considered negative on the part of the exhibitor, family members of the exhibitor, or leaders, directed toward any show official, Fair Board member, fair staff, 4-H staff, 4-H exhibitor or their parents **will result in disqualification and awards forfeited.**

# MARKET SHEEP SHOW

- Maximum of three (3) market lambs per exhibitor.
- An exhibitor may enter more than three lambs but only three lambs may be weighed, stalled and shown in the market lamb show.
- There may be a Feeder Class at the discretion of the Superintendent.
- All lambs must weigh a minimum of 100 pounds at weigh-in.
  - **EXCEPTION:** Southdown lambs must weigh a minimum of 80 pounds.  
There will be no maximum weight
- All lambs must be shown slick shorn from the knees and hocks up, may be blended according to industry standard. Belly or flank wool is not permitted.
- All fitting products must be removed from all market animals prior to entry in Jr. Livestock Sale
- If an exhibitor in a market class ends up with two animals in the same class, they can elect to move one animal up to the next heavier weight class but not down to the lighter class.

## **CLASS 1: Market Sheep Producer Class (entry fee required) (4-H)**

As described under Producer Class rules (page 37); will be held following the Championship Market Class.

- There will be no delineation of weight in this class.
- It will be judged as a market class
- Animals must make weight to show in this class.
- Producer Class will be held following the championship drive.
- Awards to be awarded at the Achievement Celebration.

## **CLASS 2: Market Lambs**

All market lambs will be divided into weight classes as nearly equal as the Superintendent deems feasible. Further division of market classes and the approximate number of market lambs in each class will be left to the discretion of the Superintendent.

## **CLASS 3: Market Sheep Showmanship**

Refer to Livestock Showmanship on page 42

## **CLASS 4: Premier Exhibitor**

All exhibitors are encouraged to enter! All entries should be made in FairEntry. This award will be given to the outstanding 4-H member (ages 8-18) in each of the livestock project species. The focus of this award is on rewarding excellence in total project management and promoting quality assurance of livestock products for consumers. **See Appendix C Premier Exhibitor for more information.**

# WOOL SHOW

## Wool Show Rules & Regulations

- Ownership rules and entry fees are the same as for breeding classes (\$5) per fleece entered. In Fair Entry select the Sheep Department, Sheep Wool Division and then the corresponding ASH fleece class.
- Exhibitors are NOT limited in the number of entries per class however, no fleece may be shown in more than one class.
- Eligible Fleeces must: (a) be fleeces shorn in the current year; (b) represent not more than a 12 month growth except that in the case of yearlings, a 16 month growth will be allowed. **Note:** Management reserves the right to untie and inspect any fleece to determine its eligibility. Fleeces determined to be over-age or containing parts of other fleeces will be disqualified and the exhibitor will forfeit entry fees.
- Qualifying Fleeces will be discriminated against if: (a) showing any paint or tar brands (soluble branding fluids permitted); (b) showing excessive dung locks or tags; (c) discolored by excessive moisture or cotted; (d) showing a weak staple or break in the fiber; (e) contains excessive burrs or other vegetable matter.
- Prepared fleeces should be rolled flesh side out in a manner to allow their being handled without falling apart. It is recommended that exhibitors pack fleeces rather loosely in clear plastic bags so as not to impair their character or attractiveness.
- Each fleece entered must be tagged with the following information: name and address of exhibitor, number of month's growth, class to be entered and whether grown under Farm Flock or Range conditions (if there are enough entries these factors may be used to split classes).
- The Superintendent reserves the right to combine classes if the number of entries in any individual class does not warrant a separate class and to place entries in appropriate classes and divisions as necessary.

- There will be no delineation of breeds in this class.
- It will be judged as a market class
- Animals must make weight to show in this class.
- Producer Class will be held following the championship drive.
- Awards to be presented at the Achievement Celebration.
- These are market weight animals.

## **CLASSES 5-6: Market Swine**

- Classes will be determined by weight only
- Minimum weight will be 225 pounds, maximum weight will be 300 pounds.
- There will be **NO** division of market classes based on sex.
- The breaks and the approximate number of market hogs in each class will be left to the discretion of the Superintendent, but no more than 10 swine will show in any class.
- Under/overweight market swine will be released at the superintendent's discretion.
- The first place hog in each class will return to the ring for the Championship Drive. The second place hogs will be on standby at their stalls.

### **CLASS 5: Market Swine**

### **CLASS 6: Swine Showmanship**

Refer to Livestock Showmanship under Awards heading of this document (Page 42)

### **CLASS 7: Premier Exhibitor**

All exhibitors are encouraged to enter! All entries should be made in FairEntry. This award will be given to the outstanding 4-H member (ages 8-18) in each of the livestock project species. The focus of this award is on rewarding excellence in total project management and promoting quality assurance of livestock products for consumers. **See Appendix C Premier Exhibitor for more information.**

# Appendix A

## Producer Classes

Producer classes are livestock classes for exhibitors who raised their own exhibit animals in market sheep, market goats, market swine, market beef, and breeding heifer projects, breeding sheep, and breeding goat. Individuals who breed and raise their own animals will show against one another. 4-H members must nominate their producer project animal by submitting photographs and animal information by the producer species deadlines.

This class is in addition to the regular market class, but does not increase the number of market animals you can bring to the El Paso County Fair. 4-H members will be limited to the species limit as published in the fair premium.

The Champion Producer for each species will be awarded at the Achievement Celebration.

### Producer Nominating Procedure

The rules and nomination procedure are the same as for all species. You will be limited to nominating 10 animals per project area. You must be enrolled in the breeding project the animals must be tagged, notched or tattooed by the producer. It is recommended that organizational club leaders verify nominations to assure the animal was born at the member's place of residence; this must be done while the animal is still nursing.

To nominate an animal, the member should take a photograph (preferably digital) of the animal while it is still with its dam so that any distinguishing marks are visible (this should be accomplished prior to the animal being weaned). This picture along with a written description of the animal as well as sex, animal ID or tag number (some form of identification on the animal such as ear notches on swine, tattoos for goats, etc. must be used). The photographs and animal identification information must be submitted to the Extension Office in the 4-H member's name by the appropriate deadline below:

This is two-part nomination process. The first part is the dam submittal which is the top half of the form. It is due January 31 for all species. The second part is the offspring submittal which is the bottom half of the form is due May 1 for all species.

**Dam submittal nomination deadline is January 31**

**Offspring submittal nomination Deadline is May 1**

The producer class photographs, and identification forms can be uploaded on 4-H Online

## Producer Class Outline

The producer class is in addition to the regular market classes and is placed 1-10. Producer class market animals will be shown in a market producer class at the El Paso County fair and must be tagged in at the weigh-in/tag in for that species under the name of the producer. The producer market animal must make weight and all market animal rules/processes must be followed.

In addition to the live placing of the animals, a Champion Producer will be awarded per species/category. There will be **three** parts to be evaluated as part of the Champion Producer Award.

**Producer Class:** Participants will receive an inverse number of points from their placing.

For example, if there are 10 entries in the class, 1<sup>st</sup> place earns 10 points, 2<sup>nd</sup> earns 9 points, etc.

**Questions:** 2-5 questions will be asked by the judge relating to production of the corresponding species. All entries will be asked the same questions or similar questions. The interview will take place in the show ring following judging of the Producer Class. Each contestant will earn a score from 1-10, based on the answers and knowledge of the contestants.

**Completed Breeding Record Book:** Competitors will receive points equal to one decimal place less than their percent score on their record book (i.e. a score of 85% will earn 8.5 points)

## Appendix B

### Supreme Champions Contest

The Supreme Champion (beef, lamb, goat and swine) is an attempt to reward the animal that best combines marketable commercial traits. The contest will consist of two areas of evaluation: carcass and live placing. The 4-H members must compete in both sections to be eligible for the Supreme Champion Contest. Any animal receiving a score of zero in any of the categories will be disqualified from the contest.

Each area of evaluation will receive a score. The score from live placing and carcass contest will be totaled to determine the Supreme Champion (beef, sheep, goat, and swine) award placings.

The total score will be weighted as follows:

- Swine
  - Live Placing 50% and Carcass 50% of the total scores. Ties will be broken with carcass scores. Swine will be determined by ultrasound.
- Beef, Goat, and Sheep:
  - Live Placing 45%, Carcass 45%, and Actual Rate of Gain 10%. Ties will be broken with Actual Rate of Gain. Carcass for lamb and goat will be determined by ultrasound. Beef carcass will be hanging carcass results unless an ultrasound is decided upon by the extension office and superintendent.

Live placing points will be determined during the market class show for the species and will correlate with class placings. Bonus points will be awarded for Grand Champion (3 points) and Reserve Champions (2 points) in that show.

Check rules under specific market species for any additional information and requirements.

No entry is required for this contest. Market animals are automatically entered upon entry at the fair.

Grand Champion and Reserve Champion in each species will be awarded at the Achievement Celebration.

# Appendix C

## Premier Exhibitor Contest

All exhibitors are encouraged to enter! All entries should be made in FairEntry. This award will be given to the outstanding 4-H member (ages 8-18) in each of the livestock project species: beef, sheep, swine, goat, rabbit and poultry projects. There will not be any distinction between ages. The focus of this award is on rewarding excellence in total project management and promoting quality assurance of livestock products for consumers. Contestants will be evaluated on five production areas:

- a) Class Placings: Both breeding and market
- b) Record keeping (including detailed health and nutrition records)
- c) Showmanship
- d) Knowledge based test
- e) Interview

Youth choosing to enter the Premier Exhibitor Award competition must have met the requirements for Meat Quality Assurance training

A member may enter in one or more species for the Premier Exhibitor Award, provided all 4-H eligibility rules have been followed for enrollment, County Fair and record judging.

The Premier Exhibitor Award will be based on the following criteria and scoring system:

- a) **Class Placings (0-20 points)**- Highest placing animal in Market and Breeding show:
  - o Market: 10 points possible- 10 for 1<sup>st</sup>, 8 for 2<sup>nd</sup>, 6 for 3<sup>rd</sup>, 4 for 4<sup>th</sup>, 2 for 5<sup>th</sup>
  - o Breeding: 10 points possible- 5 points to enter plus 5 for 1<sup>st</sup>, 4 for 2<sup>nd</sup>, 3 for 3<sup>rd</sup>, 2 for 4<sup>th</sup>, 1 for 5<sup>th</sup>, 1 for 6<sup>th</sup>
- b) **Record Book (0-25 points)** –points must achieve a Blue award to be eligible.  
100=25 points, 99=24 points, 98 points=23 points, etc.  
County scores will be used for calculating points
- c) **Showmanship (0-25 points)** – 1<sup>st</sup> place = 25 points, 2<sup>nd</sup> = 23 points, 3<sup>rd</sup> = 21 points, etc.
  - The placings will be based off market showmanship unless the youth only shows breeding animals in which the breeding showmanship placing will be used
- d) **Knowledge Test (0-25 points)** –Score will reflect the points scored on the test  
i.e. 23 questions correct will earn 23 points. Test will be given at County Fair.
- e) **Interview (0-25 points)**- Sign up for interview times with the Extension Agent during the County Fair. Interviews will be conducted on Friday
- f) Additional points will be given in Showmanship, Market and Breeding as follows:
  - Grand Champion receives **3 additional points**
  - Reserve Grand Champion receives **2 additional points**
  - There must be five or more contestants to receive additional points

An exhibitor will forfeit their eligibility for the Premier Exhibitor Award if it is deemed by Rules Committee that a member exhibited poor sportsmanship or engaged in unethical behavior during the County Fair Livestock Show.

## Appendix D

### Large Animal Master Showmen

- Grand Champion and Reserve Grand Champion junior, intermediate and senior livestock showmen will be determined through a Master Showmanship Contest.
- The Champion and Reserve Champion junior, intermediate and senior showmen from each of the livestock divisions (dairy goat, market goat, specialty goats, market beef, market sheep, market swine and horse) will be eligible to compete for Grand Champion and Reserve Grand Champion honors.
- A 4-H exhibitor who wins Champion or Reserve Champion in more than one species must select which species they will represent in the Master Showmen Competition by Thursday at 6:00 PM
  - The species which the multiple champion does not select to represent in Master Showmen will then be offered to the third or fourth place overall in that species to compete.
- Participants can earn a maximum of 10 points on their ability to fit their own animal, 25 points on their ability to show and handle the animal, 10 points for poise, alertness, and attitude; 10 points on ability to follow instruction, and 5 points on answers to the questions the judge will ask. This will total a final amount of 60 points on the contestant's own animal and a total of 50 points on the other species. This will be broken down as stated on the judge's score card.
- Separate Master Showmen contests for juniors, intermediates, and seniors will be held.
- Show order will be Senior, Intermediate, and Junior. In addition, it will be posted by 7:00 PM the night before the show.
- Competitors will have 15 minutes to get their animals to the proper location.
- If an animal is determined to be unable to be shown by judgment of the Species Superintendent, the Superintendent will choose an alternate animal.

# Appendix E

## Livestock Showmanship

- Youth exhibitors are required to show in their respective breeding and market showmanship classes for which they have entered.
- Exhibitors must show their own animal.
- Exhibitor may use any animal for showmanship that has met ownership and weight requirements.
- Underweight animals may only be shown for showmanship if the underweight animal is the exhibitor's only entered animal.
- In breeding beef showmanship any animal entered by the exhibitor will be allowed to be used except for the case of cow/ calf pair. If only a cow/calf pair is entered the calf must be used for showmanship.
- Grand and Reserve Grand winners in each age division in the following species will compete in the Master Showman competition.
  - See Specialty Goats section of this document for exceptions to this requirement (page 25)
- Individuals in breeding project will compete in the Breeding Showmanship Classes held on the day of their species breeding shows; however these champions and Reserve Champions are not eligible for Master Showmen.
- Extenuating circumstances affecting showmanship participation must be brought to the attention of the Species Superintendent and CSU Extension 4-H Office representative on duty as soon as possible.
- Show order for all Showmanship contests will be senior, intermediate, and then junior.

## Appendix F

### Carcass Contests

**Beef carcass** viewing schedule will be publicized at the Fair. In order to be evaluated in the beef carcass contest they must be consigned to processors located in the Pikes Peak Region. Only those market beef that go through the official sale and are shipped to a local packer will be eligible for the Carcass Contest. The top 6 carcasses will receive standard ribbons and the Champion Carcass will also receive recognition at the Achievement Celebration. No premiums will be paid.

**\*Note:** Beef carcass will be hanging carcass results unless an ultrasound is decided upon by the CSU Extension Office and superintendent.

**Lamb, goat and swine carcass contests** will be conducted by ultrasound prior to Market Classes. Carcass data will be available to exhibitors during the County Fair. The top six carcasses in each species will receive standard ribbons and the Champion Carcass will also receive recognition at the Achievement Celebration. No premiums will be paid.

# APPENDIX G

## Rate of Gain

The Rate of Gain Contest is designed to highlight traits desirable in a commercial feed operation. The rate of gain contest focuses on the average daily gain over a specific period of time. Average daily gain (ADG) is a performance measure that many beef, swine, sheep, and goat producers monitor. Factors that affect the ADG of animals are diet/nutrition, genetics, and weather/production conditions.

This contest will be set up over a similar time frame to producers to increase accuracy of the average daily gain. In addition, an educational programming will be offered to help the youth prepare for a short-written test. The species eligible for the Rate of Gain Contest are beef, sheep, and goats.

1. All animals that are going to be used for the rate of gain contest must be weighed in at tag-in for the county and at the final weigh date for that species. There will be no alternate dates for this contest. The dates per species are as follows:
  - a. Cattle will have the initial weigh date at Beef Tag In on February 13<sup>th</sup> and re-weigh in date will be on May 8<sup>th</sup> from 7 AM- 9 AM
    - i. Please note that animals must make weight at the El Paso County Fair to maintain eligibility for this contest
    - ii. Attention cattle exhibitors this means you will need three weigh tickets to stay eligible for this contest
  - b. Goats and sheep will have the initial weigh-in date be at Goat/Sheep Tag In on May 8th with the re-weigh date being at check in at county fair
    - i. Please note that animals must make weight at the El Paso County Fair to maintain eligibility for this contest
2. All animals must weigh in on a scale certified or approved for this activity by CSU Extension. There will be two official weigh masters and recorder will be designated at each weigh-in. One weigh master will be from the Livestock Advisory Committee and one weigh master will be a superintendent for that species. The weigh in master or recorder cannot have a child participating in the event. The recorder will obtain the following information: name of the youth, tag number of the animal, and weight. The recorder should provide all information to CSU Extension within one week of weigh-in.
3. Animals must make weight for specific species as outlined in the El Paso County Livestock Premium Book to be eligible for these awards. They must participate in their respective market shows during the El Paso County Fair with the respective animal(s) entered in the Rate of Gain Contest.
4. All market animals entered in El Paso County Fair that meet the previously criteria can enter this contest.

5. The top six rate of gain projects within beef, goat, and sheep will receive the standard ribbons and the Champion Rate of Gain will receive recognition at the Achievement Celebration. No premium will be paid.
6. The written test will be given during a time frame at county fair and no make-up sessions will be available.
7. In order to be eligible for Supreme Champion Contest you will have to participate in the Rate of Gain contest
8. The contest will be based and scored on following criteria:
  - a. **Placings (0-10 Points)**- The highest placing animal will receive 10 points for first place, 8 points for second place, 6 points for third place, 4 points for fourth place, 2 points for fifth place, and 1 point for sixth place
  - b. **Written Test (0-5 Points)** - Score will reflect the points on the test i.e. 5 questions correct will earn five points
