SCHOLARSHIP SELECTION OF INTENT CONTRACT**

I understand that, if selected, I will not receive any payment until after completion of my first quarter or semester of study with sufficient academic standing to warrant continuation of study. I further understand that the sum of the scholarship will be paid each year as follows:

Equal payments over a four year period, or in the case of a less than four year degree program, the scholarship will be divided equally among the number of quarters or semesters of full-time course load required for graduation.

If selected, I understand that I agree to send a copy of my grades to Foundation Board each year for the Board's review to determine my continued eligibility of scholarship funds. I also agree that if I find it necessary or advantageous to transfer to a different college, university, or vocational school than my first selection, I must notify the Board by letter to continue eligibility for the unused portion of the scholarship. I will notify the Board in writing if I do not attend school in the fall after being awarded the scholarship. I will also notify the Board in writing if I choose not to re-enroll in post-secondary education for a semester. If I do not adhere to the above, I will forfeit the scholarship. I have one year upon being awarded the scholarship to enroll in an accredited, degree granting college, university, or vocational school anywhere in the United States.

I have reviewed these requirements and agree to satisfy all required of me in order to receive any scholarship that might be awarded to me.
