

## 2022 JUNIOR LIVESTOCK SALE RULES

**Sale Date: Saturday, July 23, 2022 - 1:00 p.m.**

Sale Manager - Patty Woodard  
Contact Information: (719) 439-2010

1. An exhibitor is defined as any member in good standing enrolled in 4-H or FFA in El Paso County. Exhibitors that are enrolled in both 4-H and FFA are limited to the sale of one market project, regardless of species or club designation.
2. TO PARTICIPATE IN THE JUNIOR LIVESTOCK SALE (Sale), THE MARKET EXHIBITOR AND/OR A PARENT/GUARDIAN MUST RETURN **A SALE RELEASE CONTRACT, LIABILITY RELEASE FORM, AND A COMPLETED W-9 FORM, INCLUDING THEIR SOCIAL SECURITY NUMBER NO LATER THAN 4:00 P.M. ON THE DAY OF THE EXHIBITOR'S LAST MARKET SHOW.** IN ORDER TO BE ELIGIBLE TO SELL. (Example 1: An exhibitor only shows market sheep and the market sheep show is on Monday. The exhibitor must return their sale release by 4:00 p.m. on Monday in order to be eligible to sell. Example 2: An exhibitor shows market sheep and market beef. The market sheep show is on Monday and the market beef show is on Thursday. The exhibitor must return their sale release by 4:00 p.m. on Thursday in order to be eligible to sell.
3. All Grand and Reserve Grand Champions in each species must be sold. A Sales Release form is required for ALL Grand and Reserve Grand Champions in each species. In the event that an exhibitor owns both Grand and Reserve Grand Champions in any species, that individual will be required to sell both animals. In addition, an exhibitor who has Grand and/or Reserve Grand Champion that must sell, may sell another animal of a different species, if enrolled and exhibiting in another market project. This rule takes precedence over the one youth, one animal rule. In the instance that an exhibitor qualifies to sell more than one market animal, as the result of exhibiting the Grand and/or Reserve Grand Champion animal, then the exhibitor's additional animal(s) will sell at the end of the final round of that species, respectively.
4. The commission charge will be no more than **5%** of the total sale proceeds for Poultry, Rabbits, Swine, Goats, Sheep, and Beef. The Livestock Sale Committee reserves the right to lower the commission charge percentage based on the results of the Junior Livestock Sale.
5. In the event the Grand Champion and/or Reserve Grand Champion Market Beef are designated "buybacks," the Livestock Sale Committee will ensure that both are entered into the Beef Carcass Contest, if one is held. Others designated by the primary buyer as "buybacks" may or may not be available for the Beef Carcass Contest. Miniature breeds of cattle **will not** be eligible to sell in the Livestock Sale or participate in the Beef Carcass Contest due to the small frame and conformance with the USDA Packing house grid.

6. Once in the sale ring, the animal will be sold to the highest bidder.
7. For beef, sheep, goats, hogs, rabbits and poultry, this is a **TERMINAL SALE**. All sale animals will be slaughtered. Prospective buyers will be required to sign an agreement prior to the sale signifying their acceptance of the terminal sale policy. A “buy back” arrangement will be provided for the buyers of a market animal.
8. Any and all market animals sold through the sale will only be hauled by the Livestock Sale Committee or their Designees to the packers selected by the buyers. Animals designated as “buybacks” will be released or delivered only to the buyback buyer by the Livestock Sale Committee. There will be no exceptions. Arrangements for poultry and rabbits will be coordinated between the Small Animal Committee and the Livestock Sale Committee. The Livestock Sale Committee will not hold animals after the sale, unless there is reason to suspect a violation of the Sale Rules put in place by the Livestock Sale Committee or to accommodate a locker processing schedule. In such a case, the Livestock Sale Committee will arrange for the care of the animal until the issue has been resolved and appropriate arrangements are made for the animal(s) in question.
9. Market animals are not permitted to be listed for private treaty sale until 10:00 a.m. on sale day.
10. Animals sold at private treaty must be hauled at owner’s expense. **THE LIVESTOCK SALE COMMITTEE WILL NOT HAUL PRIVATE TREATY ANIMALS.**
11. Condition of Sale: Exhibitors are required to adhere to the rules and regulations set forth in the El Paso County 4-H/FFA Livestock Show Premium Book. All livestock sold and slaughtered will have to comply with the Show Ring Code of Ethics, IAFE National Code of Show Ring Ethics, and Wholesome Meat Act. Any surgical procedures or injection of any foreign substance or drug or external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal’s performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited and said animal will not be allowed to sell. All exhibitors must certify their compliance with manufacturer’s pre-market withdrawal periods specified for any and all medications, drugs, pesticides, or feed additives administered. The use of any non-approved chemical or improper use of approved chemicals is strictly prohibited. All animals must have completed all medication withdrawal times regardless to whether it is over the counter, prescription, or extra label use prior to weigh-in at the El Paso County Fair.
12. All heifers must be accompanied by a certificate issued by a licensed veterinarian verifying the heifer is pregnancy tested OPEN within 30 days of the El Paso County Fair.
13. Only market animals that meet weight requirements and show in their respective market class are eligible for the Livestock Sale.
14. All Sale Animals will be sold by the head or lot in the case of poultry and rabbits. The Livestock Sale Committee reserves the right to limit the number of head or lots sold.
15. No artificial decoration, sign or paint of any type will be permitted on any animal entering the sale ring. Violators of this rule will not be permitted to sell in the annual Livestock Sale.
16. Exhibitors will be asked to provide information on the Sale Release form to share with potential buyers during the Sale. Exhibitors are not to pass notes to the auctioneer while entering the sale ring. There will be **NO** announcement of any sort of “premium” attached to a designated animal for

the purchaser of that animal. If any concerns arise regarding the exhibitor/sale animal, those concerns need to be addressed to the Sale Manager to communicate to other parties involved.

17. No exhibitor, under any circumstance, shall leave the sale ring until after the bidding process is completed on their market animal.
18. Any exhibitor needing additional help in the sale ring must submit the reason for accompaniment and obtain approval from the Sale Manager for the request. In such circumstances, any additional parties must be currently enrolled 4-H members.
19. The Livestock Sale Committee reserves the right to random drug screen any and all potential market sale animals.
20. If a carcass tests positive for any of the "Condition of Sale" terms listed in Item #11 above, but still remains suitable for consumer consumption in accordance with USDA/FDA Regulations, exhibitor **MAY** receive the current market rate quoted at the time of the sale (commonly referred to as Buyback Price) less the cost of any additional drug screening, legal fees, and any other associated costs incurred by the Livestock Sale Committee related to the testing and processing of the animal. If payment is issued to exhibitor, a statement of costs incurred will be issued along with the payment.
21. If a carcass is condemned (not suitable for consumer consumption) for any reason, the exhibitor will **NOT** receive any premium or current market rate payment. The Livestock Sale Committee will then contact the purchaser of said animal and orchestrate reimbursement of monies or any other decision deemed suitable per said buyer.
22. Exhibitors, parents and club leaders of all market animals must certify their compliance with the USDA Wholesome Meat Act by completing and signing a "Certification and Disclosure Statement" and Show Ring Code of Ethics and turning it in with their 4-H enrollment.
23. **Sale rotation order for 2022: Swine, Sheep, Beef, Goats, Rabbits, Poultry.** ALL MARKET SPECIES will be divided based on total animals for sale within each species and sold in groups within the rotation order. **ALL** Grand and Reserve Grand Champions of all species will sell in a group at the beginning of the sale. All species will sell in CLASS PLACING order within their groups in the rotation. Exhibitors are asked to pay special attention to the posted sale catalog and their respective superintendents to determine their place in the sale order. If an exhibitor is not in line when scheduled to sell, they will forfeit their privilege to sell.
  - a. The Livestock Sale Committee reserves the right to amend the sale order rotation defined in Item 23, including the format of the Sale of Champions typically conducted at the beginning of the sale, in order to facilitate adherence to any potential pandemic guidelines and/or restrictions that are in place at the time of the Sale.
24. **All Market Livestock entered in the El Paso County Fair MUST Be Photographed With The Exhibitor.** Photographs must be taken at the designated times by the OFFICIAL livestock photographer employed by the Livestock Sale Committee. An exhibitor who wishes to sell in the Sale and does not have a picture taken at the designated times must arrange to have an acceptable picture taken by the official livestock photographer; the exhibitor must then deliver it to the Livestock Sale Committee prior to the Livestock Sale. This will be at the exhibitor's expense. The photographer may or may not be able to schedule the exhibitor for such a picture, but if so, will collect a CASH fee in advance from the exhibitor for this service. **Failure to do so will result in disqualification from the Livestock Sale.**

25. As soon as his/her animal sells, each exhibitor is **REQUIRED** to take the appropriate paperwork to his/her buyer in the audience and then return said paperwork to the sale clerk as soon as the buyer completes it. **This needs to be done immediately after selling**, so each exhibitor should arrange for a parent, leader, or another member to hold or stall the sale animal while the paperwork is being completed by the buyer. **Please do not ask the superintendents to do this.**

- a. The Livestock Sale Committee reserves the right to amend the paperwork requirements defined in Item 25 in order to facilitate adherence to any potential pandemic guidelines and/or restrictions that are in place at the time of the Sale.

26. Sale Checks **will be MAILED** to exhibitors by the Livestock Sale Committee WITHIN 10 to 20 BUSINESS DAYS FOLLOWING THE SALE. **Prior to receiving a check, each market exhibitor must write an acceptable and approved thank-you note to the buyer(s) of their animal, any Add On Contributor(s), and to designated Livestock Sale sponsors and turn in said note(s) in an unsealed envelope to the Livestock Sale Committee.**

Names and addresses of buyers will be provided to exhibitors once the Add On Premium feature of the Sale closes 48 hours after the live auction. **The Livestock Sale Committee will mail the thank-you notes to the buyers** following the fair. If the thank-you is not received by the Livestock Sale Committee, the market exhibitor's check will be held until the thank-you is sent to the Sale Manager.

- a. The Livestock Sale Committee reserves the right to amend the timeframes defined in Item 26 for sale checks and thank-you notes in order to facilitate adherence to any potential pandemic guidelines and/or restrictions that are in place at the time of the Sale. Regardless, each market exhibitor will be required to turn in designated thank-you notes to the Livestock Sale Committee, prior to receiving a proceeds check.

27. Any reissue of sale checks for any reason will incur a \$30.00 service fee, which will be deducted at the time of reissue.

28. All scholarship winners must be in the arena at 12:15 p.m. on sale day for presentation of scholarship awards.

29. 4-H/FFA members are encouraged to pass refreshments provided by the Livestock Sale Committee after sale paperwork is completed.

30. Any request for exceptions to the aforementioned livestock rules must be submitted in writing to the Livestock Sale Committee. The Livestock Sale Committee will then deliberate and the decision made by the Livestock Sale Committee will be final.

31. In the event a market animal consigned to the Livestock Sale should need medical treatment prior to the Livestock Sale, the exhibitor, exhibitor's parent/guardian, County designated veterinarian, CSU Extension Agent, and Sale Committee will confer regarding the course of treatment and continued Livestock Sale eligibility. The final decision regarding the terms of the exhibitor's continued participation in the Livestock Sale resides with the Sale Committee.

32. The Livestock Sale Committee reserves the right to amend the terms of the Junior Livestock Sale Rules as necessary in order to facilitate adherence to any potential pandemic guidelines and/or restrictions that are in place at the time of the Sale.
