Unfinished Business

Randi reported on our inventory. We currently have the following items: five lattice, 20-6 Ft poles, 6 Stanchions, Gate with flower rope, one table, several baskets of greenery, three white plastic barrels, El Paso County sign. We need to get more 12 ft poles. Brush box or flower box for jump filler would be a nice addition. We are needing to replace the bridge. Question of where we can house items at Latigo. Emily said she would check with Bob.

Again, it was tabled to pay partial sponsor of the horse demo as treasurer was not there.

New Business

Enrichment activities and monthly clinics were discussed. January is Vetting with Trepina after the HAC meeting. February 13th Autumn is doing showmanship at Latigo. February 15th Maggie and Megan will be doing ring etiquette. Discussed making this "mandatory" for new members. March at latigo might be speed and ranch.

Randi brought up that there is no help there now for members that fail the safety test. We discussed making an info sheet that would give the members a line for help. Emily will be bringing the revised Safety test to the February meeting. Next year maybe we have a safety 101 training at the beginning of January and the test at the end of January.

The meeting was adjourned at 7:07 pm.
