

“More-Than-4 Project” Rule

This rule is for **ALL** 4-H members enrolled in more than 4 projects.

If you enroll in **Five (5)** or more projects this year, you will be asked to fill out our [“More-Than-4” Project Google Form](#). This is designed to help 4-H members plan for a successful 4-H year with multiple projects.

In 4-H Shooting Sports, each Discipline is considered a 4-H project.

For Example: Enrolling in Archery, Shotgun and Outdoor Skills counts as 3 projects.

In Animal Projects, each animal species/type is considered a different project.

For Example: Enrolling in Market Swine, Breeding Goat, Market Goat, Breeding Beef and Pocket Pets is considered 5 projects.

If you enroll in 5 or more 4-H Projects,

Please fill out the “More-Than-4 Project” Google Form.
